Stintino

15€ / 1 day

Service available Mondays, Wednesdays and Fridays. We advise you to acquire tickets at least 2 days in advance to guarantee the seats on board.

The *Stintino* territory is the last limb of the Sardinian land. It extends from the Nurra plain to Asinara island, which is situated at a short distance. The Asinara island hosts the National Park of Asinara, founded in 1997, therefore Stintino represents the nearest boarding.

The main touristic attraction is the beach "*La Pelosa*", situated in the extreme North-Western limb from Sardinia, in front of the Asinara gulf. This beach is characterized by white fine sand and a turquoise sea with a very low bottom. Immediately overlooking a second smaller beach called "*La Pelosetta*" you can find a small island reaching on foot from the Aragonese tower: the Piana island. It belongs to Torres port community like the major island. There you can find a Spanish tall tower 18 meters called "*Finance tower*". It was built in the XVI century and it was renovated in 1931.

The Piana island was used in the past like pasture thanks to its transhumance carried out by the fishing boats. It belonged to the Berlinguer family and it was ceded to the state with the conditions of being preserved in its natural condition. Other beaches in the East: *Le Saline, Il Gabbiano, L'Ancora, Ezzi Mannu, Pazzona e Punta Negra*. The departure is at 8 o'clock at terminus and the return is about 17.30 o'clock from Pelosa beach. The service will be available from 1 of June until 30 of September 2014.
